It's said that the bravest thing a dancer can do is grow old. For a b-boy/b-girl, the experience is approaching heroic. In keeping with hip-hop culture, b-boys/b-girls present a façade of confidence and invincibility as they engage in battles to prove their value and establish their dominance.

The resulting vocabulary is one of the most physically demanding and visually impressive of the dance genres and leaves no room for the expression of vulnerability.

# THE CAVE

A CABARET ABOUT WHY ALL THE ANIMALS SOUGHT REFUGE

Music by John Millard

Lyrics by Tomson Highway

Book by Martha Ross

Directed by Adam Paolozza

A group of animals flee from a vicious forest fire and seek refuge in Bear's cave. Waiting out the inferno, they reflect on their lives, their lost garden, and their impending doom. These unlikely and singed bedfellows share their stories and take comfort in their newfound community while the fire encroaches. Haunting ballads sung in English and Cree hang in the air amidst joyous humor in this poignant and entertaining cabaret.

A visceral music storytelling show centred on the Battle of Vimy Ridge that probes difficult yet necessary questions about how and why we grieve.

Featuring inventive musical interpretations of WWI soldier songs – which were recognized with the 2022 JUNO nomination for Best Traditional Roots Album – *Ridge* is a vivid, kinetic ride through history, as well as an intimate, personal examination of our connection to the past that passionately argues against the exploitation of young lives.

## ANNOUNCING THE 2022/2023 SEASON

Christmas Show (November 23 to December 3, 2022)

### MIRACLE ON 34th STREET

When a department store Santa claims he's the real Kris Kringle, a wave of love spreads across New York City that melts even the most cynical hearts, and a little girl's belief makes the difference in the 'miracle.' A holiday classic from the writer of the musical theatre classic, *The Music Man!*, and based on the movie of the same name, *Miracle on 34th Street* is a joyous, heartwarming musical for the whole family.

Directed by Bob Oldfield

Winter Show (February 22 to March 4, 2023)

### THE MOUSETRAP

As news spreads of a murder in London, a group of seven strangers find themselves snowed in at a remote countryside guesthouse. When a police sergeant arrives, the guests discover – to their horror – that a killer is in their midst! One by one, the suspicious characters reveal their sordid pasts. Which one is the murderer? Who will be their next victim? Now in its 70th year, the *Daily Telegraph* declares it “the cleverest murder mystery of the British Theatre. I think *Mousetrap* could run forever.”

Directed by Diane Llewelyn-Jones

(April/May 2023)
